Product Features

01 Easy To Use

With a 10-digit keypad and nine function keys, operating the machine and switching between different counting modes is simple and intuitive.

02 Smooth and Quiet Counting

The M-30 operates at noise levels below 75dB, ensuring a quiet environment. It also delivers smooth counting without jamming.

03 High-Speed Counting

Adjustable counting speeds allow you to process banknotes at 900, 1200, or 1800 notes per minute, offering flexibility and efficiency.

When suspicious banknotes are detected, an alarm will sound, and a warning message will be displayed on the 3.5-inch LED screen.
